TV FIELD PRODUCTION INTERNS

Keystone Pictures is your worldwide provider of seasoned video and digital media visionaries. We are a multifaceted video and AV production company specializing in web & TV series, commercials, corporate events, streaming and gear rentals.

We are looking for production interns for the **Fall/Winter 2017/2018 semester**.

You will be out in the field/studio working every job we can get you on. Learn about camera, audio, lighting, grip work, directing and more!

Great opportunity to get your feet wet in all aspects of field work. Definite opportunity to get paid on some of these jobs as well.

On non-shoot days you'll be learning about editing or helping out in the gear shop. A great chance to see the business side of the business.

Requirements

Must be getting college credit (required)

Have own car (preferable but not required)

Able to do help with some lifting

Interviews taking place now through mid-August.

Please send resume (include your year in school) to Scheduling@keystonepictures.tv
